*This Schedule of Benefits does not replace the legal contract or certificate which identifies all covered services, additional details, limitations and exclusions of the coverage. For a complete description of covered services, please see your Certificate of Coverage and any amendments to your Benefit Plan. If you have questions about Common Ground Healthcare Cooperative Benefits, call 1-877-514-2442.*

PA indicates Prior Authorization is required for these services. Call 1-877-825-9293 for Prior Authorization. Failure to obtain Prior Authorization when required will result in the Member receiving a lesser Benefit. (**PA required when inpatient stay extends beyond the standard 48 hours (vaginal) to 96 hours (cesarean).**)

---

1. No payment will be made for out-of-network care except for emergency care, urgent care outside of our service area or when there is no in-network provider that can perform covered services and written approval is obtained as outlined in our certificate of coverage.
2. Primary Care Provider may include general pediatrics, internal medicine, obstetrics/gynecology, family practice, general medicine and geriatrics.
3. Specialists are all provider types other than those defined elsewhere in this Schedule of Benefits.
4. When receiving covered services at an office or hospital visit, member may be subject to copay charges for both the facility and the service rendered.
5. All Other Services are defined as services not elsewhere listed in this schedule of benefits.
6. Copay applies to the facility ER charge. All other charges rendered as part of your ER visit are subject to their applicable additional copayment or deductible/coinsurance as specified in this schedule of benefits.
7. The Affordable Care Act (ACA) provides for coverage of certain preventive services based on age, gender and other health factors at no cost to the member. Visit [www.commongroundhealthcare.org/coverage-details](http://www.commongroundhealthcare.org/coverage-details) for a complete listing. During a preventive care visit, you may receive services that aren’t required to be covered at no cost to you under the ACA. Those services may require a copay, or the charges may apply towards your deductible and/or coinsurance.
8. Please refer to the Certificate of Coverage to determine what oral surgery procedures are covered.
9. Only certain Prescription Drug products are available through mail order.
10. When a brand is dispensed and a generic is available, you may be responsible to pay the difference in cost between the brand and generic in addition to the brand drug cost share (copay, deductible and/or coinsurance). The difference in cost will not apply towards your deductible and/or maximum out-of-pocket.
