Common Ground Healthcare Cooperative

2022 Dental Provider Directory

For the 2022 coverage year, Common Ground Healthcare Cooperative (CGHC) is offering dental benefits on select plans. The needs of our members and the people in Wisconsin are ever-changing, so we want to consistently evolve to meet member needs.

Since dental benefits are only offered on select plans in Southeastern Wisconsin, we have compiled a separate Dental Provider Directory which lists all of the dentists and service locations participating in our network.

First and foremost, it's important that members understand, **our offering of dental benefits does not replace full dental coverage**. The benefits listed below are not meant to replace full dental coverage or to service any of your dental needs, but rather, they are a benefit meant to serve as preventive dental services. Plans with dental benefits will include the following:

- 2 Exams per year
- 2 Cleanings per year
- X-Rays; One full mouth, One bite-wing
- Fluoride with Cleanings (Up to Age 14) – Limit 2 per year
- Sealants (Up to Age 14 on Permanent Molars Only)
- Oral examination, X-rays, extractions and non-surgical elimination of oral infection required **for the direct treatment of a medical condition** for which Benefits are available under the Policy, limited to:
 - Transplant preparation.
 - Prior to the initiation of immunosuppressive drugs.
 - The direct treatment of acute traumatic Injury, cancer or cleft palate.

It is important that members understand the covered dental benefits and limitations outlined in the Certificate of Coverage, available on the website: www.commongroundhealthcare.org/certificate/

Counties Offering Plans with Dental Benefits

Unfortunately, we are not able to offer these expanded dental benefits on plans in our entire service area due to the limited network we have had the opportunity to contract with. Dental benefits will be available on plans in the following counties:

- Milwaukee County
- Racine County
- Kenosha County
- Waukesha County
- Washington County
- Ozaukee County

As we pilot dental benefits for CGHC plans, we want to be financially responsible in all of our decisions in order to keep costs down for all members throughout the service area.

Plans with Dental Benefits

The plans listed below offer dental benefits. There are also Cost Sharing Reduction (CSR) plan options which are available as a variation of the plans listed, based on your income eligibility.

*If you are not sure whether or not your plan offers dental benefits, it is best to refer back to your enrollment materials OR to your online Pay My Premium portal. **The title of your plan must reference “Dental Exam” OR D/V Exam in order to have covered preventive dental benefits.**

Please use this directory to find dental providers in our network.
Services are only covered if provided by a provider list in this directory.
