

**Our Mission:**

**Putting Members First.  
Pursuing Better Healthcare.**

We live our mission through advocacy, partnership, and innovation. We strive to make health insurance a personal, honest, and compassionate business. As a non-profit cooperative, we are not motivated to raise prices simply to make more money. In fact, any profit we make is returned to our members through lower prices and improved services.

small businesses**

HEALTHCARE COOPERATIVE

## About Us.

Common Ground Healthcare Cooperative was founded in 2012 as a nonprofit insurance cooperative to serve the people of eastern Wisconsin and provide them with access to a different kind of health insurance company.

## Why choose us?

We are a local, member governed health insurer dedicated to providing our members with affordable health insurance options. We offer you Commitment, Support and Care.

## Commitment

- As a local, nonprofit, we're price for coverage not profit
- Continuously seeking cost saving opportunities and added benefit options
- Putting Members First, always

## Support

- We're local, and so is our team
- Personalized onboarding experience
- An integrated team that works efficiently and seamlessly to provide you with World Class Service every step of the way

## Care

- A network of high quality providers with access to over 5000 Specialist and PCPs
- Our plans are EPO's- no referrals required
- Access to 24/7 care through Virtuwell and wellness benefits through Active&Fit Direct

## Our Health System Partners

- Aurora Health Care
- Ascension\*
- Bellin Health System
- ThedaCare
- Door County Medical Centers
- Children's Wisconsin
- Watertown Regional Medical Center
- Other hospital systems and select independent providers across eastern Wisconsin

\*Available in limited service areas with the Rise Network.
