- Disabled dependent child, who at the time of becoming age 26, is incapable of self-sustaining employment because of a physically or mentally disabling injury, illness, or condition, and is chiefly dependent on the subscriber for support and maintenance. The employee will be required to submit physician certification of the child's condition. Coverage will be effective beginning on the date of birth or adoption or placement for adoption following our receipt of the completed Employee Enrollment Application.
- A child will be deemed adopted either from the moment of placement in a group member's home or from the date of an order granting custody of the child to the group member, whichever is earlier. The child's adopted status remains in effect unless the child is removed from the member's home before the issuance of a legal decree of adoption.

Employee Enrollment Requirements

Each Eligible Employee / Owner

Please note, CGHC is required by the IRS and Centers for Medicare & Medicaid Services (CMS) regulations to collect Social Security Numbers applicants.

Required documents:

- Completed Employee Application or Waiver (waivers must include the reason for waiving coverage)
- Valid Social Security Numbers are required for all enrolling members including dependents to enroll. If an applicant does not have a valid Social Security number, they are not eligible for coverage.

Note: Only the employee may fill in, change, or modify the employee application.

Participation Requirements

When determining participation, "eligible employees" do not include those with other full coverage health insurance, unless those employees are enrolled in qualified health insurance coverage through this group and those with group continuation coverage.

Minimum participation requirements are as follows:

Number of Eligible Employees	Enrolled Subscribers Required
2-4	*2 Subscribers
5-6	3 Subscribers
7	4 Subscribers
8-9	5 Subscribers
10	6 Subscribers
11-50	70% of eligible employees

*The Small Group Special Enrollment Period (SEP) takes place annually from November 15 to December 15 for coverage that starts on January 1. During this one-month period, the normal participation and contribution minimums do not apply.

To calculate participation, the following are considered valid waivers if included on the Waiver form, such as:

- Employer-sponsored group coverage through another employer
- Medicaid
- Medicare
- United States military coverage
- Individual coverage on and off the exchange

Note: An owner of multiple entities will not be considered a valid waiver if the owner is declining due to coverage under another entity in which they hold ownership. Dual coverage by the same employer would not be considered a valid waiver.

Prior Deductible Credit / Annual Out-of-Pocket Maximum

For new group submissions, CGHC provides credit for in-network deductibles met under prior takeover group medical coverage if proof of the actual dollar amount is submitted with the first claim.

- This provision does not apply to new hires.
